**Vacation days-** Each family who attends full-time, five days a week will be given 10 days of vacation per year where tuition payments will be waived. Vacation days may only be used in five day increments or less per month. Families may choose to use these vacation days during the weeks when the school is closed, or at another time throughout the school year. Part-time families will receive 6 days if child attends 3 days a week and 4 days if child attends 2 days a week.

Vacation days are pro-rated by the start date. If your child starts before June 30th all of the vacation days will be given but if your child starts after July 1<sup>st</sup> only half the days will be granted for the remainder of the year. Vacation days start over each January.

When you would like to utilize vacation days, the front office needs at least 30 days notice. Vacation days will NOT be added to previous months. Unused vacation are lost at the end of the year.

If student comes in on a scheduled vacation day, there will be a drop in fee added to your invoice and the vacation day will be removed to use on another future day.
